Like every year, we're taking advantage of the Portes Ouvertes des Châteaux du Médoc to discover a new wine-producing region of the world. After California, Spain and China, we're off to party in Mexico.

MONTE XANIC 2020, gold medal winner at the Vinalies Internationales and blended with Cabernet Sauvignon from the Valle de Guadalupe and Merlot from the Valle de Ojos Negros, will reveal its terroir, rich in sunshine and Pacific sea breezes. We'll compare the 2020 and 2022 vintages of CHATEAU HOURTIN-DUCASSE; fruit, complexity, aromas... we'll discuss them together and take the opportunity to talk about the wines of Mexico. We continue the tasting with our spirit, noGGIN.

JANO ARIAS is a Mexican singer, musician and composer who has been living in France for several years. He'll be telling us about his country through the rhythms and music of Lati-no. Great stories to come!

LA QUESS'A ROULETTES will be setting up in the garden, and Nicolas, in his foodtruck, will be serving his Quesadillas all day long. A feast of Mexican flavors... Mexican but local! A culinary fusion to discover.

PINATAS for children. Because some traditions are too greedy to be forgotten. 3 pinatas to be broken each day.

OSIER DÉCO: Jean-Philippe will be leaving his store in Saint-Christoly for the weekend to present some of his creations in the art of wicker weaving.

COCKTAILS with noGGIN: noSUNRISE, noAZTEQUE or noPALOMA; the choice is yours! When noGGIN decides to replace the tequila...

Our EWES will be there (some of them). They're from the Landes! But we love them so much.

TO COMPLETE THE FUN, table soccer, table tennis, a checkers, pétanque, tic tac toe, mölkky, badminton... will be available.

All weekend long, wine, music, food and Mexican traditions will enable us to learn a little more about this beautiful country rich in color and flavor.
